

23/2/2017

Dear Shareholder,

Please note we are very busy attending to all phone calls, and emails and we will get back to you... we thank you for your patience.

The decision has been made to make the distributions to all shareholders and again we are hoping to achieve this asap.(March April)

We are not offering any new investment options at this time, until all distributions have been made to all shareholders.

There will be no 50/50 options (receive half and reinvest half) as so many have requested, as this is simply not possible at this time without the correct documentation and offer documents.

Please keep watching this space for further updates re timeframes and progress for this distribution process.

Thank you.

Kind regards

Forestlands
